Redwood Coast Regional Center Community Resource Development Plan Request for Proposals Announcement *Not for Profit Housing Corporation*

We envision a system of services and supports that is determined by the individuals served. We envision a process that is complementary to the individual's own life, and which does not intrude upon the person's chosen lifestyle. We envision people residing in the living arrangement of their choice . - From RCRC Vision

Redwood Coast Regional Center (RCRC) is one of 21 locally-based not for profit private corporations that contract with the State of California to develop and coordinate community resources and supports for people with developmental disabilities and their families. Redwood Coast Regional Center serves eligible Californians who reside in Del Norte, Humboldt, Lake, and Mendocino Counties.

RCRC is seeking approval from the State Department of Developmental Services (DDS) for start-up funding to carry out RCRC's 2018-2019 Community Resource Development Plan (CRDP). CRDP funding is provided to respond to the changing needs of individuals, as well as enhance the capacity for community services, for those who are currently living in the community and receive services through California's developmental disabilities service system.

PROJECT GOAL

Redwood Coast Regional Center is seeking to contract with an existing not for profit housing organization (NPO) to develop new construction of an affordable multi-family housing complex in Mendocino County. This complex would be developed in accordance with Federal and State Housing laws that target individuals with developmental disabilities, senior households, and/or senior veterans. Twenty five percent (25%) of the housing will be set aside for use by RCRC clients only.

The goal of the project will be to provide affordable housing options for individuals who receive RCRC services in a non-segregated setting using the *Community Placement Plan Guidelines for Purchasing and Developing Permanent Housing*.
