PHARMACY SERVICES UPDATE

State law allows for residents in declared emergency areas to fill prescriptions at available pharmacies, even if it is not where your prescription is on file. Below is a list of open pharmacies. (alphabetical by town). Any of these pharmacies will be able to accommodate emergency requests. Please bring your medication bottle(s) and/or the actual medication with you to help the pharmacist fill your prescription. The pharmacist will contact your physician for confirmation. Please call the pharmacy directly for hours of operation and more information:
