

Redwood Coast Regional Center Self-Determination Update

Del Norte • Humboldt • Lake • Mendocino

SELF DETERMINATION PROGRAM ORIENTATIONS:

Self Determination Program Orientations were provided in Lakeport (5/24), Eureka (6/6) & Crescent City (6/7) 10 of the people selected to participate in Self Determination attended along with family and community members. The orientation was translated into Spanish for one family attending. 15 of the 30 newly selected participants have attended an SDP Orientation.

The 6/6 & 6/7 orientations were done using the new 'plain language' version of the slide show that was created by the State Council on Developmental Disabilities (SCDD). This version worked well and will be used for future orientations.

Upcoming Orientations:

Fort Bragg, CA
June 28th

Time and location to be determined

Please RSVP to Sedona Bowser at 707-445-0893, ext. 363

People selected to participate in Self Determination MUST attend an orientation. *More Self Determination Program Orientations will be scheduled in Lake, Del Norte, Humboldt and Mendocino counties so that everyone selected to participate in SDP has an opportunity to attend.*
