1 NCI CA average in blue is significantly above the NCI national average; NCI CA Average	ge in orange is sid	gnificantly below t																					
weighted NCI national average or a question that was not tested for significance.	,	,,																					
NCI CA Average percentage was compared to the weighted NCI national average, and																							
sizes are used in addition to statistical significance because statistical significance of a statistical																							
that even a small difference will be found statistically significant. A statistically significant of																							
practically significant difference. State percentages are categorized into three classes: 1)	Significantly abo	ive the NCI avera	ge; 2) Within th	e NCI average	e range; 3) Sign	nificantly below	tne NCI																
average.																							
2 Data not provided represents data that was not calaculated for the FY 19/20, as only th 3 Not on FY 19/20 respresents response options and/or questions that were not included				ata was collap	sed
