

EXECUTIVE DEPARTMENT STATE OF CALIFORNIA

PROCLAMATION OF A STATE OF EMERGENCY

WHEREAS on January 2, 2026, a five-alarm structural fire ignited in the downtown area of the City of Arcata in Humboldt County ("Arcata Fire"); and

WHEREAS the Arcata Fire, comprised of three interconnected fires, damaged multiple commercial and residential buildings and resulted in the collapse of several large structures and damage to roads and sidewalks from heat exposure, debris, and suppression activities; and

WHEREAS the City of Arcata is addressing site stabilization, dust control, and possible asbestos concerns, and has implemented stormwater monitoring and assessments of potential contamination in creeks and waterways; and

WHEREAS under the provisions of Government Code section 8558(b), I find that conditions of extreme peril to the safety of persons and property exist due to the Arcata Fire in the City of Arcata; and

WHEREAS under the provisions of Government Code section 8558(b), I find that the conditions caused by the Arcata Fire, by reason of their magnitude, are or are likely to be beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to appropriately respond; and

WHEREAS under the provisions of Government Code section 8625(c), I find that local authority is inadequate to cope with the magnitude of the extreme peril posed by the Arcata Fire; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Proclamation would prevent, hinder, or delay the mitigation of the effects of the Arcata Fire in the City of Arcata.
