

PRESENTATION - All's Well (Gabriela & Daisy) 9:30 – 9:40am

- All's Well is excited to begin working with Redwood Coast Regional Center and building partnerships with providers throughout the region. The DSP Internship Program is an initiative designed to strengthen the Direct Support Professional workforce and create a pathway for individuals interested in entering the field. Through the program, participating service providers can host interns at no cost to their organization, giving candidates the opportunity to gain hands-on experience supporting individuals with intellectual and developmental disabilities while allowing providers to develop and evaluate potential long-term DSP employees. All's Well supports the recruitment, screening, onboarding, and employment of interns throughout the internship.
 - No cost to providers. All's Well is the employer of record. Interns paid weekly at minimum wage. All vetting/clearance completed by All's Well.
 - If intern is hired, after 6 & 12 months (each) the intern will receive \$625 stipend
 - If you are a provider that is interested, please submit this [DSP Internship Intake Form](#)

 - More information - Upcoming webinar dates: September 14th at 10:00 AM, October 5th at 10:00 AM

Cris Duhon, RCRC

- It has been a slow month for DDS directives
- Day rates are transitioning for Day Programs
- Upcoming events: October is National Disability Employment Awareness month.
 - Employment Fair, 10/6/26, in Lake County
 - Transition Fair at the Sequoia Center, 10/21/26 (Ukiah)
 - Sharon Border will send flyers for these events which Haley will forward to the ASP.
- Paid internship or employment success stories? Please email Sharon Border: sborder@redwoodcoastrc.org
- Haley French question: remote services provision – we still can not indicate remote services on the invoice. So, technically out of compliance with DDS directive because we are unable to report remote services on the e-billing invoice. Curious about liability? Cris Duhon imagines there is no additional liability for service providers since the invoice issues are a DDS issue.

Julie Eby McKenzie, SCDD

- Will send flyers & links for all these:
 - State Council holding statewide events for Emergency Prep.
 - QA interviews
 - SCDD Aaron Carothers will be presenting at Tri Counties Independent Living Center Expo in Eureka on 10/9. There will be County Mental Health, CalFresh, RCRC... 30 – 50 different entities represented.
 - RC Services binding tool – tells you about services & service code

PRESENTATION - Compass & new add on service (Shelley Belong) 10:00 – 10:15am

- Shelley Belong from Compass presented at 10am. Compass is a RCRC provider and they have a new add on service (pre social rec)
 - See attached flyer
- Virtual bridge to a social life. Virtual, vendorized social rec connection service. This is an add on service and does not replace existing services.
- UVENTi app: events all in one place. They are also developing a vendor database for events.
