

## **ASP Notes 10.13.2026**

### **Service Providers**

1. Self introductions of new service providers:
  - a. Annie Horne – 24 Hour Home Care
  - b. Shelley Belong with Compass, Diana Daugherty (Uventi social rec app), will help with the launch

### **RCRC**

1. Heather Odle:
  - Retroactive rate adjustments – see affected service codes related to an IRS mileage adjustment. Adjustment as of 7/1/26 and it will take RCRC an estimate of 1 – 2 months to process this. It is a large project. Steps: receive notice, new rate on invoices, then retroactive payment. If there is an IRS mileage rate adjustment or minimum wage adjustment, it is likely that many service codes will receive a rate adjustment—usually retroactive.
  - No movement on remote service tracking in e-billing tracking.
  - Early start services provided remotely will need to be reimbursed at a lower rate as of 11/1/26. It is possible that other remote services will move to a lower rate in the future.
  - Mention of the Capitol tree ornament program – see previous email.
2. Susan Hernandez, Diversity Outreach Specialist:
  - Upcoming Event: Dia De Los Muertos Event 11/1/26 @ Adorni Center 2 – 5pm. Vendors could table at the event if interested. Lunch will be provided to tablers and participants.
