Unmet Needs Survey for Redwood Coast Regional Center

Redwood Coast Regional Center wants your help to learn about unmet service needs in our community.

An unmet need is when there isn't enough of something important

Something that helps keep people safe and healthy

or helps people make life choices and meet their goals

Your response will help RCRC understand what is needed by you

Below is a link for a short survey

Please take a few minutes

and complete the survey to help us understand

and create services to meet the needs of our community

If you have any questions about this survey please contact Leah Thompson, CPP
